From the Pastor

I would like to give an update to the church on the progress of the Good Samaritan Health & Wellness Center. We will be opening soon for reduced fee medical, dental, and health initiatives to the working uninsured. It will encompass various faith communities along with business and civic organizations. It will be headed by Dr. Bill Smith.

Work will start soon on setting up dental operations and office space on the first floor of the Wade House along with medical screenings. Whenever there is an opportunity to give scholarships to use the Willingham Center the Center will do so. The Center will be renting the space and paying the utilities, the upkeep of the Wade House excluding janitorial duties will continue to be the responsibility of the church.

We have received \$19,000 from the Dyersburg District, \$10,000 from an anonymous donor and a promise to match \$40,000 from the same donor. We have received \$25,000 from another foundation so we have at least \$79,000 to begin this wonderful ministry for our community. Other churches are participating and that list is growing. If you would like to contribute financially or volunteer your time, please contact Karen Hussey who is the secretary of the Good Samaritan Health & Wellness Center. Her number is 731-587-6102. Please keep this center and its future ministries in your prayers.

Grace and peace, Bro. Bill

Prayer for America

We seek Your sovereign blessing on our nation. Forgive us for our shortcomings and the times when we have failed You. Draw us back to Your love and strengthen us as we do. May we forever be faithful to the calling that You have given us. We respectfully and humbly give thanks for Your continued blessing.

If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land. II Chronicles 7:14
